## ITINERARY

### DAY 1 SALT LAKE CITY

Arrive in Salt Lake City and collect your rental car. Overnight: Salt Lake City

### DAY 2 SALT LAKE CITY (B)

The Natural History Museum of Utah is the superb new showcase of the State's natural wonders. Salt Lake has vibrant bars, restaurants and nightlife which could include a baseball game, ballet, theatre, or a late night club if energy permits. Overnight: Salt Lake City

### DAY 3 SALT LAKE CITY - VERNAL (B)

North American Museum of Ancient Life at Thanksgiving Point, 30 minute's drive away, has hands-on interactive displays, expansive murals and soundtracks. Overnight: Vernal

### DAY 4 VERNAL (B)

Today's "Must Sees" include Dinosaur National Monument, the only place in the world you can view and touch over 1,500 dinosaur bones embedded and partially exposed in the mountain at the quarry visitor's centre, and walk down the fossil discovery trail. Enjoy views of Green River, Split Mountain, and Petroglyphs as you explore the monument. Overnight: Vernal

### DAY 5 VERNAL - MOAB (B)

En route, the Prehistoric Museum in Price displays eight complete skeletons plus dinosaur eggs. A detour of 49 kilometres into remote countryside brings visitors to Cleveland Lloyd Dinosaur Quarry. A less challenging alternative is John Wesley Powell River Museum in Green River which highlights the exploits of this one-armed Civil War veteran. Overnight: Moab

### DAY 6 MOAB AREA (B)

Most visitors with only a day here will see Arches National Park for its 2,000 rock arches followed by either Dead Horse Point State Park or part of Canyonlands National Park for their incredible long distance views. Overnight: Moab

### DAY 7 MOAB - BLANDING (B)

Blanding and nearby Bluff are at the heart of an area with an amazing record of earlier human life as well as dinosaur remains. Edge of Cedars Museum offers a large collection of Ancestral Puebloan pottery and an authentic Puebloan village. Hovenweep National Monument is a series of villages indicating 10,000 years of human settlement. Overnight: Blanding

### DAY 8 BLANDING - MONUMENT VALLEY / BLUFF (B)

Visitors are spoiled for choice. Natural Bridges National Monument has three of largest rock arches in the world. Bluff is the starting point for river trips including stops at remarkable petroglyphs. At Goosenecks State Park the meandering San Juan River has cut down over 1,000 feet into the plateau. Alternatively, spend half a day at iconic Monument Valley or do this en route the following day. Overnight: Bluff

### DAY 9 BLANDING/BLUFF - KANAB (B)

The itinerary passes through Monument Valley, past the western tip of vast Lake Powell and skirts the southern edge of Grand staircase Escalante National Monument. Overnight: Kanab

### DAY 10 KANAB - ST GEORGE (B)

Drive through Zion National Park, visit the pretty town of Springdale, and take the shuttle into the heart of towering cliffs leading to the Narrows. Overnight: George

### DAY 11 ST GEORGE - LAS VEGAS (B)

Continue on to Las Vegas after a visit to Dinosaur Discovery site at Johnson's Farm with 200 of the oldest, best preserved dinosaur tracks in the world. Overnight: Las Vegas

### DAY 12 LAS VEGAS

This morning drop your rental vehicle off at the airport.
